

## Appointments at Baltic Connector Oy

Baltic Connector Oy has made the following appointments:

**Anni Sarvaranta** has been appointed as Development Director of the company as of 23 October 2017. Anni has knowledge from the energy sector in project management, business development, stakeholder relations lobbying, sales and marketing as well as network management. She holds a Master of Science (Technology) degree in Energy Technology. As Development Director, her responsibilities include the functionality of Finnish gas infrastructure and preparing for gas market opening.

Henceforward, **Arja Koski**, Procurement Director, is, in addition to procurements, in charge of strategy.

**Juuli Nyholm** has been appointed as an Administrative Coordinator of the company as of 1 March 2017.

**Mika Myötyri** has been appointed as a Development Engineer of the company as of 1.7.2017. He has previously worked as a Master's thesis worker at Baltic Connector Oy.

Baltic Connector Oy is a state-owned company set up in 2015 to implement the Finnish part of the Balticconnector gas pipeline to be built between Finland and Estonia. When completed, Balticconnector will connect the gas networks of Finland and the Baltic countries and will enable the opening of the gas market in Finland. The EU has granted funding to cover 75% of the project, and the project is due to be completed by 2020.
